

Virtual Sponsors and Exhibitors

Join us in this groundbreaking event and be one of the many trailblazers to participate virtually with your community of midwives in the country. With this new format, your reach as an exhibitor and or sponsor will be even greater than an in-person event; potentially reaching more customers over longer time.

INTRODUCING HUBB: ACNM's Virtual Exhibit Partner Platform, designed to expand your reach to attendees, while enhancing your sponsor and exhibitor experience. The following exciting entitlements are included with the booth package of \$3,200.

- Marketing of your company logo, profile, contact information and social media links.
- Create downloadable resources for attendees including a live video option for your product.
- Ability to live chat with attendees. Option for attendees to schedule 1:1 meetings.
- Attendees can choose to allow their information to be shared with that sponsor (available in a report to sponsors).
- Attendees can choose their 'favorite' booth (you will receive # of favorites in their reports)
- Filters –choose up to 2 tags for your products/services so that attendees can easily find your services when visiting the expo hall page. These options are **no additional cost** to you as an existing exhibitor.

Additional Add on Options are Available for \$1,800 Each with a booth:

- + Introduce an education session and have your branding on the page as that session is produced
- + Provide a pre-recorded video to become a "bumper video" to be used in the conference, between sessions, at breaks (length and specs will be shared upon request)
- + 2 custom branded e-blasts sent to over 7,000 members ACNM Members those attending the event & not.
